To the family of Frank Lowry; A great friend, a pilot, a teacher, salesman, a patriot, QB, and family man. Our Sincere Condolences . My Dad, Alden Miller, thought the world of Frank, and knew, worked with Frank for almost his entire aviation career. They shared so much over the years and I personal saw there relationship, each would do anything for the other. Alden and all of us will miss Frank. I was lucky enough for Frank to work with me on flying an AT-11 (Twin Beech). We will miss his Saturday morning Stories of Flying experiences, he had so many. His contributions to aviation will live on forever. Marty Miller
