Janet Nairemore posted:

My entire life crumbled when I lost you. Rebuilding is so difficult. I know we will be together again, just as we have in the past; we will always find eachother. You are my soulmate for all eternity. Knowing you will be watching over your family gives a secure & warmness in my loudly thumping hollow heart. I miss you every single second of every tick tock as time passes. I am so in love with you TLA
