How I love this Aunt of mine. She was my dad's sister. For many years she lived with us. I can't believe she is gone. My regret is that I haven't spoken to her in a long time. But i will always love her. May God find a special place in heaven. I hope her family knows how much she loved them.

I remember Naomi. When I knew her she was a fiery, vibrant woman. She and my mom were good friends. I remember she gardened and it seemed like she knew everything about flowers. She was boisterous and liked to laugh, lived her kids and lived to tease her hubby. I am sorry for her loss. Hugs to her family.
