Still hard to believe. Cinnamon enjoyed watching you in the arena, visiting and cutting up with you. I remember that it was the 4th of July Sac and Fox powwow about 18 years ago when we ran across each other again. First time to cross paths since you all moved from Coweta. Gonna miss you.

I'm still in shock your not here. I don't know what I'm going to do without you and momma. I will miss you dearly. Please visit me in my dreams like momma does. I will forever love you. Hug and kiss momma for me. I want you and momma to get the heavenly pow wow ready. One day we'll all be together again and we have go fishing and have a pow wow in heaven. 143

My deep condolences to Troy's family, my Oklahoma relatives. I have great memories of Troy when he came to visit the Omaha Reservation in Nebraska, stating that he wanted to dance for those who had passed on, for those who were unable to dance. Dance proudly in Heaven now, Nephew.
