We were so very shocked and saddened to hear of the passing of Murph. Will always remember her smile and zest for life. One great memory we have is when she and Jon went with us to Las Vegas several years ago and had a great time....lots of laughs. Although we had not seen her in a few years, after they moved up to Grove, we enjoyed keeping up with her and her family on facebook. The family is in our thoughts and prayers during this very difficult time.

Prayers to the family of Linda and her husband Murph. I had the pleasure of working with Linda for 10+ years. I loved giving her a hard time about staying late until I shipped all the parts for the day. Then I just laugh and tell, no I was just joking. Also missed our conversations about Thursdays. She was very proud of her kids (dogs) at home and mostly her G-babies that she shared her pictures all the time. I will miss you!! And may the God of all comfort; comfort this family.

Prayers for all of Murph's family. I worked with her for over 20yrs at Nordam. She always spoke highly of her family and her love for Jon, the boys and of course the pride of her grandbabies was beyond measure. At work we always gave her a hard time about being a hardass, but she always did what she thought was right in regards to her job and in life. We miss her at work and we'll miss her bragging about her family on facebook. Godspeed Murph.
