## **Eli Bell**

NOV 29, 2010 - MAR 19, 2019

**E**li DeWayne Bell, 8, was born on November 29, 2010 and passed away on March 19, 2019. Eli defied all odds against him since the very day he was born. The doctors said that Eli had only hours to live, but he fought with heart and soul and lived a beautiful and miraculous 8 years. Eli made a significant impact on people from all over the world. He had a big heart, and loved cuddling with his mommy and daddy. And he especially loved his brothers Luke and Landon, and cousins very much. And although eight years was not enough time, he is now a saint in Heaven and is walking hand in hand with God and Jesus. Eli is survived by his loving parents Lonnie and Brandy Bell, and his two big brothers Luke and Landon Johanson. Fly high, Eli baby, we will see you later. Visitation will be held from 10 am – 8 pm on Friday, March 22 at Floral Haven Funeral Home. A memorial service will take place at 11 am on Saturday, March 30 at the Restoration Church of God of Prophecy- 8120 Old North Road, Sand Springs, OK. In lieu of flowers, the family requests that memorials be made to a foundation supporting Anencephaly Awareness.

Eli, you are my special Buddy and I love you so much!! You have a place in my heart just for you. When I started my group, Anencephaly Hope, you were a huge inspiration for the name...You proved that doctors are not always right and a diagnosis does not define you. You are proof that even with such a diagnosis there is always HOPE! You will continue to inspire others and bring hope to many families. You have made such a positive impact in this world and in the hearts of many. You have been such a strong, brave boy and you are loved and missed so much!! I will love you forever!! Love always, Auntie Lisi
