Betty Culver

MAR 25, 1947 - MAR 12, 2019

As Betty would say... Hey, you look vaguely familiar, do I know you? This is pretty much how she would greet everyone she knew and loved. So I think it only fitting to send her off with those same words. Wonder if she said that to Jesus? Betty was born in Copan, OK in 1947. She married Charles when she was just 18 and they started a family right away. Some of her favorite things to do are to spend time with her family. She enjoyed going to all of the activities that her grand kids had as well as most recently spending precious time with her 4 great grandchildren. Betty lived to spend time with family and if she could get a fishing trip in there too, well, that was just perfect. Betty is preceded in death by her mother Goldie, Father Harry, Brother Harry, son Billy Joe Culver and Husband Charles William Culver. Those surviving are Daughter; Tammy & Anthony White of Claremore, Grandson's: Dakota & Mariaha White of Claremore, Brandon White of Claremore, Christopher Culver of Foyil and Patrick Culver of Foyil. Great Grandchildren Seth Culver, Allison Culver, Jaxson White & Dallas White. Sister: Dolly Taylor & Brother Tom Taylor with numerous nieces and nephews. Flowers can be delivered directly to the church.

Hey grandma Betty, it's been 3 years since I've seen you, I miss you so much, ever since your death my dad "joe" has went nutty, wish you were here so you can thump him in the head. I'm in 9th grade and I'm going to be an artist and a hair dresser. Seth is doing pretty well to just a whole bunch of deprision breaking him an I but sadly it runs in the family, and him and I's parents are both not the best but I do love them just wish they would get better. Miss you so much, sending so much love to you

Betty was my first friend at Wellmans. We've been thru a lot the last thirteen and a half years. We had our ups and downs but we always came out on top. I will miss her shining face when she had new pictures of her greatgrandsons. She was so very proud of her family and she was such a caring person. I will truly miss her and will think of her often. I send her family my prayers. LOVE YOU GIRL.

I only knew Betty for a short period of time while we worked together at Carlisle Brake and Friction. I was always amazed and inspired by her energy and stamina. Betty had a wonderful magnetic spirit and I will always remember her warm smile. My thoughts and prayers are with her family during this difficult time.

I was so shocked to hear of her passing. She was one of my fabulous clients at the salon. It was less than a month ago that she was in and we were talking about how she enjoyed retirement. I'll miss her greatly.
