Oh my goodness! I have been trying to reach Norma for several years now. For many years we spoke about once a month. I am her first cousin, once removed. Her mother, Rose, and my grandfather, Wallace were sister and brother. I have been so worried about her, but did not know anyone else to call. Dustin will remember me and I read his tribute to his Nana. So sweet. Norma and I researched family genealogy together for years and years, and became good friends. It hurts me that I missed seeing her in this life one more time. The last time I saw her was in January 2016 when I took my oldest sister, Pat to meet her. We had been to Wichita Falls to the funeral of my sister, Gloria. I wish I had known of her passing, but I pray your good memories and hope in the resurrection will comfort all of you. A special hug to Dustin! God bless you all.

She was a great and loving person, and would always help others to the best she could, and wouldn't ask for anything in return. She's surely going to be missed and loved by many, and she lived a long wonderful life, she was a caring Mother, Grandmother, and Great Grandmother, and she'll always be my family no matter what, do to the simple fact that my son Dustin Michael McBroom has her blood, along with mine, and I've always told her that we would be family forever! So with that all being said, I just want to say Rest In Peace Grandma, I love you, and will miss you dearly; until we meet again! Love Always and Forever, Sugar Kaye Anderson, or as you would say; Sugar foots !!!
