I am so sorry for your loss. Quanita and I went to Irving Elementary and Roosevelt Junior High. We lived about two blocks from each other and played games, did homework and tried not to get into misbehavior although it usually found us. She lived with her mom in the basement apartment of her aunt and uncle. I remember her mom did hair. Matter of fact, If I'm not mistaken there were two shampoo stations on one side and the bathroom was situated at the bottom of the stairs which meant you had to go out of the apartment door. Rest in Peace my dear. Pamela (Dobbs) Nielsen

P.S. one favorite song I was just reminded of she enjoyed. Close to You by the Carpenters.
