I'm so sorry to hear of Galen's passing. I first met him in 1965 in OKC and saw him in DC just before he left for Vietnam. We corresponded a few years ago and he shared pictures of his beautiful family. You could feel how very proud he was the minute he started talking about them. He was a kind and special man. Sincerest condolences.

I am so sorry to hear of this great loss. He was an amazing man and I always loved hearing his stories at family gatherings through the years. It has been too long since I say most of you, and although I will be unable to attend the memorial, I will be there in spirit. Love and prayers to all of you during this time of loss, and know that God is with you all as Galen joins his family members that have gone on before. Until we meet again, Galen...
