Luke and I were friends from the first grade until we graduated. We attended Washington Grade School together. He was such a fun guy. We graduated from Pryor High School together in the Pryor High School Class of 1974. Our class has a Facebook page and I posted a copy of his obit so many friends from his high school days would know. He always had a smile and good things to say. He ALWAYS made me laugh. Last time I saw him was at Walmart in Pryor a few years back and we stood for a bit and visited. He was the same sweet friendly guy I always knew him to be. Every one of his classmates loved Luke and we all want to extend our deepest condolences to his wife, children, sisters, and grandchildren and other family member. I know he will be missed and we are so sorry for your loss.We will forever remember our good friend and buddy, Luke Grade. REST IN PEACE my friend.
