To Kim's family, I am a customer of Ricardo's and big fan of the best server "Kim". On my last visit I got to see her and check on her. She was a beautiful person inside and out. I am so sad to learn of her passing. I always looked forward to seeing her and made a effort to search her out when I went in to eat. I just liked being in her presence. She was someone that made you feel special and even when she wasn't having a good day, you never knew it. She made a difference in my life and I will miss her. I am sending my condolences to her husband and family.
