There are no words to express how , I feel.... Why is it that anyone that's good gets taken far too soon.....? Logan's always going to be missed & loved by a lot of people that's a fact. I watched that kid go from crawling to walking/running & he was a good kid & heaven is lucky to have him there telling a joke from time to time :-)& making everyone laugh & a lot of people carry Logan with them everywhere so he'll never be forgotten but forever missed... Logan will forever be loved & always missed
