Genelle, my dear sweet friend, I am going to miss the middle of the night texts back and forth. I'm going to miss your humor and infectious smile. You were one I knew beyond a doubt I could count on no matter what. The world will be just a little less bright without you in it. I know the last several months weren't easy, and your hope for a better tomorrow was growing. You left your mark on the world, and on my heart. I love you, and I will never forget you. You will continue to live on in the memories of those you touched, and forever in mine. I pray Frank and all the rest of the family finds comfort and peace. Prayers for all those impacted by your tragic loss. Forever my friend. Forever in my heart. I love and miss you Genelle!
