Since 1978-1979 Drs. Haggerty and Baldwin took care of basically (3) generations of blue heelers we owned. When Marina first opened, I recollect the facility was named the Emergency Animal Clinic, and frequently, the Doctors spent the overnight in the facility caring for the ill animals. Thank you for your years of wonderful service.

George was not only a good vet but a good man. We laughed and cried together over the years as he treated my beloved boxers. He will be missed by many both two and four legged souls. God Speed, Doc.
