Kathy Williamson posted:

You will never know the impact that your love and grace had on everyone's life. You are the definition of unconditional love. You were our light for strength, wisdom and courage. Our lives will never be the same without your presence, we all will forever have a void. You will always be present in our hearts and your memory will live on through all of us. Until we meet again, go rest high on the mountain and tell Dad I said hello. Miss you like crazy Mema
