Dear Wren, we met through Fb and formed a strong friendship over the years. I will miss you so much but thank God for connecting us. The laughs we shared specially when we found out how to video chat so glad that we talked a couple of weeks before you were called home. Lots of love to you all from our family to yours.

I was so sorry to hear about Wren's death. When I was a teacher at Boevers Elementary, Wren was a leader in the PTA and was always an active volunteer for her children's schools. She was a loving mother and supported her children in all they did, but at the same time, she would not hesitate to correct them and guide them toward goodness. Wren was a hard worker and was always kind to help in any way possible. I loved having her children in class. I know she will be very missed by family and friends. RIP WREN!
