Ellis was a fun friend. I remember when Mary met him, he was the "cats meow". I was so happy for her. He was so good to her and they had such great times. We would set and visit and talk about just about anything and everything. I will always remember all the wonderful vegetables from his massive garden. Through all the Oklahoma heat, had no idea how he did it. I would stop by and collect all I could. Ellis and Mary and I would set in their little covered patio and chat while my little dog ran around the yard or set in my lap. There was nothing better than the fresh grown. And, they were grown with such great love and care. He will be missed. Always had a wonderful smile on his face and a laugh to go with the smile. He just got to Heaven before the rest of us. My prayers are with you, Mary, and the family. Much love always, Jayne

Ellis was very dear to our entire family. We have been friends for several years at Rhema Bible Church. He watched our children and grandchildren as they have grown. He called me "Little Sister" often and I will miss that very much. Even with poor health himself, he always was ready and willing to lift you up in prayer when it was needed. Mary, we are praying God's everlasting love will surround you and give you peace. Remember Bill and I are only a phone call away if you ever need us, any time. We love you. Praying for you and your entire family during this time. Praising God we will see you again in heaven one day!
