Bob I met you 16 years ago because of your amazing wife Donna. You were an amazing man with always a positive attitude. It was my pleasure working for you at the donut shop off and on throughout the years. Rest in peace my friend it was a long hard journey for you, but you stayed strong and held on to your faith in God just like a true honorable man does. You will be missed by many but you will always be loved. We love you Bob. (And we will take care of Donna for you sir) Love and happiness Jennifer and Quinton Fain.

My condolences to the Boltinghouse family. May you find comfort among dear friends and the hope for the future. God promises that we will see our dear love ones very soon. All those in the memorial tombs will hear his voice and come out, John 5:28,28. What a glorious day that will. But until then rely on the God of all comfort.
