Tommy was a good friend of mine. I've thought about him over the years, and as I mentioned his name I decided to look him up, this obituary was what I found. Thank you for your kindness Tommy!

Tommy Tucker was a great fire fighter and student of life and fire.. His demeanor was so unique in his 20s no 2 stepping gal had a chance.. I enjoyed every minute he shared with me..I want to thank my Brother Greg McWilliams D.O. for taking a dear friend of mine and in true McWilliams style, took his D.O. cardiology training at the Cleveland Clinic and Tommy Tucker to the task of doing what needed to be done at a primarily Medical Doctor hospital, Saint Francis hospital.. The staff at Saint Francis cared for Tommy and Tommy cared for them. I don't know how many months Tommy waited for his 2nd heart, but I do know I played golf. with him soon after and I was amazed how Tom went from hitting a power fade to very quiet draw. Nannette Mcado Tucker had her hands full. God better watch out!!!

Tom was an excellent firefighter and a good friend. Tom and I worked together in TFD Research and Development in the 1980s and 1990s. He did a great job and was always fun to work with. I'll never forget him. May he rest in eternal peace.
