I was so sorry to hear about the passing of your father. He was such a wonderful family man. I have such fond memories of both David and Peggy. We had many great times together that I cherish still to this day. It's comforting to know they are both together again. If I wasn't out of town I'd be able to tell you all in person what a great guy your dad was. You will be in my thoughts and prayers for the days to come.
