Jennie and her mom were the two of the most genuinely kindest people and that is probably an understatement. I have thought of Jennie many times over the years and always secretly wished I could have lived in Okla near her and be part of her life. She always treated me like family from the time I met her at age 18. I will always cherish the time spent with her and her entire extended family and the laughter we shares. I am so sorry Arthur for your great loss. I wished I had known...

I am so sorry Arthur, Shane, Artie, Deb, and all the family! Jennie was an inspiration to me! She was my best friend, a wonderful boss, and hope when I had none! We had a lot of great times and great talks. She helped me through a lot after my Mom died in 2005. I told her she had to be my Mama now! ?? She took the roll on and I met the best family ever! You all have been so loving and kind to me. I will miss everything about her! Especially every time she told me, goodnight BG Lou, say your prayers! Jennie was always an outgoing person here at work Spirit Aero Systems with that Radiant Smile. I remember her fixing us breakfast on Saturdays if we worked on that day. Never asking for a certain amount for the meal just help purchase the items. She would greet you with a smile or a hug. She will be truly missed and family know that you all are in our prayers and God will see you through this time. God Bless

Jennie was the most kind and loving person. She would do anything for anyone. I will never forget the first time I met her, it was when me and Greg first got together and he took me to his family reunion. Jennie was so sweet to me and treated me like I was a part of the family as soon as she met me, and that ment a lot to me. We love you Aunt Jennie and you will always be in our hearts!!
