## Lowanda Johnson

MAY 22, 1933 - SEP 8, 2017

Lowanda Johnson was born and raised in Ada, Oklahoma to Willie and Lora Townsend. She was married to Byrl Ray Johnson for 33 years. They had 2 children, Cindy Crouch of Tulsa, Oklahoma and Wes Johnson of Edmond, Oklahoma. She started out as a PBX Operator with Southwestern Bell and also worked for T.L. Osborn Ministries. Her favorite job was as the receptionist for T.D. Williamson, Inc where she earned their top honor as President's Award Winner as the company's top employee. The employees there treated her like family and she returned the favor. Lowanda had an identical twin sister, Ufonda Potter whom she dearly loved. They would wear the same clothes when they were younger to fool their friends and classmates. She loved to attend any live sporting events or concerts. She attended Elvis' two concerts in Tulsa with her daughter Cindy and many Branson events together. She also attended many OU games with her son, Wes and always watched the Sooners on TV. She was also an avid runner, amassing more than 20 medals later in life and completing her goal of the 9.3 mile Tulsa Run. She got her granddaughter Tina involved in English riding classes and always enjoyed watching her ride. Lowanda also enjoyed taking Tina shopping and enjoying a Starbucks and good conversation in between their favorite stores. Lowanda enjoyed attending Evangelistic Temple and First United Methodist Church where the Ambassador Class considered her their prayer warrior. She is survived by her daughter, Cindy Crouch and son-in-law Gary Crouch and granddaughter Tina. Also, her son Wes Johnson and daughter in law, Penny Johnson and step grandsons Trey and Tyler Romine. Memorial service will be 10:00 AM, Saturday, September 16th, Spirit Life Church, Tulsa.

Lowanda was a beautiful person on the outside and inside. She was always so delightful and gracious. She made you feel happy to be in her presence. I was blessed to have made her acquaintance at OCCU while employed there. I remember attending her retirement party at TD Williamson where she announced she was beginning a new chapter in her life. I hope she enjoyed many blessings in her retirement years. My thoughts and prayers are with her family during this time of sorrow. God Bless! I loved her, Roberta Hazen

Lowanda was and now truly must be an Angel! So many years after Wes and I played basketball and graduated together at Jenks High School we ended up for a short time both living in Houston. It was pretty cool when our Mom's had a chance to meet.If we are measured in our life here by the way the love shown to us, I would offer my most sincere respect to Wes for raising that bar as high as it could go for his Mom. One blessing in my life would certainly be the honor of watching Wes as a son and hearing him talk about what all had done together. Beautiful, to say the least!On behalf of all of us, we offer our deepest sympathy and most heartfelt prayers in this time of loss and grieving. Yet I know the glory to be found, as too do I also know the Home in which she waits for Wes and all those who love her to join her one day.

Loved Lowanda. My husband Mark and I both worked with her at T. D. Williamson. I have many of her delicious recipes that I still use for our family. Our prayers are with both Cindy and Wes and their families.
