When I am gone, release me and let me go. I have so many things to see, and so, You mustn't tie yourself to me, with tears Be happy that we had so many beautiful years... So grieve for me a while, if grieve you must Then let your grief be comforted, by trust... It's only for a while that we must part, So, bless the memories within your heart... And then when you must come this way alone, I'll greet you with a smile and say "Welcome Home!"
