This is very late in coming but I stumbled on Rocky's obituary by accident just very recently by happenstance. This is Jeannie Culp, I was Mike Campbell's girlfriend in high school for awhile. I was SO very sorry to read of Rocky's passing. Although I didn't get to know him as an adult, I remember he was a VERY lively, energetic, funny & loving child. My sincere condolences & prayers go out to Rocky's ENTIRE family. I have MANY fond memories of the Campbell family. They always welcomed me with open arms. What stands out the most to me is how close their family was, how much fun they had at their many large family gatherings, and how much they stuck by each other through thick and thin. I can remember Rocky & Chris playing in the living room when they were just kids while Mike & I "babysat" like it was yesterday. May God bless & keep Rocky in his loving arms, & also his family, until we all meet again. If anyone in the Campbell family would like to reach me, I can be contacted at 615-801-3853 or twinchick1969@yahoo.com. Sending MUCH love to ALL of you, Jeannie Culp

Rocky was a good man with a huge, loving heart and a soulful spirit. He was the kind of man who always said, "love you, brother" and "take care" and truly meant it each and every time. We shared many years and memories together long ago and though not always easy, the ones I hold are happy. There are things I learned from Rocky about how to appreciate and enjoy, he always enjoyed the simple things that make you happy, family, fishing, camping, jamming... things I will never forget and will always be grateful for. My heart will always hold a special place for him and the entire Campbell family. My love and prayers are with you all in this most difficult time. With Much Love, Kim
