The last time I had a real conversation with Peggy was the beginning of April when I went to vote. She just lit up when I walked in. I always loved Peggy's beautiful smile. I stood there at least 30 minutes visiting with her....she was so easy to talk to and I just remember leaving and thinking how much I enjoyed visiting with her. Every time I look across the street I just can't believe it. Hugs to Richard and their children. We are thinking of all of you....

I met Peggy and Richard in our water aerobics class. Then to my surprise while looking over Muskogee Central High FB page I discovered we were all 3 graduated from MCH. We shared a lot of memories together about MCH.. Richard said Peggy looked me up in the Chieftain(yearbook) and we laughed at the hair styles back then. Shared lots of memories from those days. Peggy was faithful in coming and doing her best with the aerobic workouts.I am so very sorry for all. Hugs and prayers for everyone. Kaye Lynn
