I remember meeting him for the 1st time & you'd think we had known each other forever. He always made me feel welcome to talk to. After a while, I asked if I could call him Dad since my Dad passed away & he said, "sure, I welcome that young lady." I would call every now & then & drop by for a visit. He was so inspiring to me. He loved his family more than life itself. I already miss his smile & hearing his laugh. Lee was a special man & is greatly missed. I pray you all are comforted by God to help you get through this tough time. God Bless You all.
