Mark was an amazing person and terrific neighbor. He was always so kind to our kids when they wanted to play basketball or "help" him with yard work. Gone way too soon. I'm so sorry for your loss.

After working behind a desk in home health, I decided to go back to school to get out from behind that desk. When asked why I chose therapy during my interview for school, I told them it was because therapists are always upbeat, positive & really seem to love their job. It was you & Norm that I was referring to. Your smile & laugh will be missed by all who knew you.

Very sad that my friend Mark is gone. My thoughts and prayers are with his family. I Met Mark 15 years ago when I was starting my healthcare sales career. We became friends instantly. I will always remember Mark from our last meeting together. Smiling, laughing and having a drink and cigar discussing "work". Good times. He will be missed greatly.

I will miss our many daily long conversations. I miss his voice, his goofy infectious chuckle and his smile. Rest in peace my dear friend
