Mr. Tuttle, where do I begin? I had the pleasure of meeting Mr. Tuttle in a not so pleasant place, dialysis. I cared for Mr. Tuttle 3 days a week for several years. I truly loved Mr. Tuttle. He was such a sweet, funny, beautiful person. I loved to joke with him, and hear his laugh. I also miss seeing his family, who brought him to dialysis and took such great care of him. Please know I will never forget him. All of my love, Sky Mumford.

Thank you Tanya, words really aren't enough. Your support and help, a long with a great insurance provider allowed Daddy to be with us a bit longer.

Thank you, Daddy enjoyed his visit to the bank every time he went. He especially enjoyed the mints in the money wrappers. And the ink pens, got him through many word searches.
