William "Bill" Prewett

AUG 20, 1937 - FEB 27, 2017

William Freeman Prewett Jr. was born in Tonkawa, Oklahoma on August 20, 1937. He passed away at the age of 79 on February 27, 2017 in Tulsa, Oklahoma. Bill was preceded in death by his parents, William F. Prewett Sr. and Alma Gardner; his wife, LaVerne Prewett, and grandson, Logan Borland. He is survived by daughters Julie and husband Will Remington, Kim Borland, and Connie and husband Richard Ishmael; granddaughters Tina and spouse Todd Grego, Tiffany Sullivan, and Macy LeBeau; grandsons Cody Borland, Morgan Duckworth, and Matt and wife Stephanie White; great grandchildren Wyatt, Skylee, Linkkyn, Kenton, Daylyn, Hayden, Jasmine, Mattie, and Erika; business partner Larry Rose; brother Jerry and wife Janelle Prewett; and an abundance of nieces and nephews. Bill was a dedicated son, brother, husband, father, and grandfather to everyone in his family. He spent his entire life caring for family, friends, and clients. He was first and foremost a child of God and instilled those values to numerous people. He spent a large portion of his life leading music in churches and always encouraging even strangers. He tirelessly ministered to each and every person that walked into his office. He would do anything and everything to extend a hug, smile, and word of encouragement or advice. He has always been the rock of his family and knew that he made a significant impact on many lives. He will be greatly missed, but family and friends know that he's been ready to see LaVerne once again. What a reunion that must be in Heaven! Visitation will be held at Floral Haven Funeral Home on Friday, March 3, from 5pm – 8pm. Funeral Services will take place on Saturday, March 4, 2017 at 12:30 pm.

I am so Sorry to Hear about Bill. I just Loved him. His business was just a couple of doors down from where we first started Retrospec Films and he paid us a visit and said we needed an accountant, yes we did and we could have no one better. He believed in my son and this company so much and stood by us even when he first got sick. I didn't know of his passing or I would have been at his funeral but I know he knows that...God Bless him, he will see his Beautiful wife again. I sure will miss him. My Love to all of you, his Family...we talked so much about family, I know of many of you without actually meeting you. God Love to you all..

Bill was a big part if my early youth years as my Minister of Music at Valley View Baptist Church. He and Laverne were also good friends with my parents and we spent many times over at each others homes after church or when my parents would get together to play card games. Bill and Laverne share a beautiful part of my wonderful memories. I know Bill was truly ready to see his Lord and maker and to be reunited with Laverne in heaven. Prayers Julie, Kim, Connie and family as you grieve for the loss of your dad. May the memories help sustain you in the days ahead. Love to all! Teri Lam Kemp

LaVerne was a dear, dear friend of mine. Bunko brought us together and breast cancer sealed our friendship. I could always talk to her about anything without being judged. We shared many laughs through the years. After she left this world, I continued to be in contact with Bill at Christmas and on April 4, the anniversary of his beloved's death. The deep love that they shared was an example that we all should strive for. I know they both are happily together in Heaven and for that I am glad for him. His devotion to her knew no boundary. I look forward to seeing LaVerne again one day.Cathy McCourt
