I met Sam while at school at OSU. We worked together, then roommates. Sam knew more movie and song trivia than anyone I've ever known. He had a great sense of humor. I have good memories of our time together. My thoughts and prayers are with his family

I have many great memories of time spent with Sam playing basketball at Kellyville, riding to games together, at Oklahoma State, and just hanging out. He always had a way of making me laugh with that wonderful, wry sense of humor. He was one heckuva guy. Godspeed old friend. Brian Stone
