My condolences to the family of Mr. Steele. I have fond memories of him. He used to be Dr. Mizell's patient and I was his nurse. He Always had a great sense of humor! There were some that I looked forward to seen and he was one of them! I love this scripture in John 5:28,29 " do not be amazed at this for the hour is coming in which all those in the memorial tombs will hear his voice and come out" What a glorious day that will be to see our dear ones again. May you find comfort in the memories and hope for the future. With deep respect, Sylvia
