Charlene June Brown

JAN 30, 1929 - JUN 15, 2016

Charlene June Brown, age 87, was born on January 30, 1929 in Los Angeles, CA to her parents, Charles and Noalene Awalt. She passed away on June 15, 2016. Charlene worked for John Zinc as a secretary her entire career until retirement. Charlene loved to create! She would make amazing arts and crafts and hold small bazaars to sell her beautiful holiday decorations. Return customers came back every year to see what was new that she had created. That tickled Charlene to see the same faces each year. She made everyone that entered her home feel like they were a part of our family. She loved to cook and entertain for every occasion. Her Great-Grandchildren were her joy, each of them held a special place with their Nana. Charlene is preceded by her father and mother, Charles and Noalene Awalt, her sister, Von Ceil Smith, her husband Elmer Brown and her children, Charles Brown, Barbara Winfield, Deborah Brown. As well as many very special family friends: Glenn Hager, Wanda Collins, Ida Crow and many others. Charlene is survived by her grand daughter, Jennifer Wolff and husband James, her grand daughter, Elizabeth Sontag and husband Ronnie, and 6 great grandchildren, James Wolff Jr, Jonathan Wolff, Natalie Sontag, David Wolff, Haleigh Wolff, and Rex Sontag. Charlene will be dearly missed by her family and friends. Funeral Service Wednesday, June 22nd, 2016-3:00 pm-Floral Haven Funeral Home Chapel.

Charlene was a dear sweet lady! I loved her deeply. I have been to her house many times and bought her beautiful arrangements, wreaths & baskets. I was one of her main customers. The last time I was there I fixed her hair and she was delighted. She loved her great grandchildren. She always had special food for them that they liked. They all would help me carry my special little items to the car that I had purchased from her. I have been trying to reach her for months. I am so sorry to learn about this today. A friend forever! Love you Charlene! John, you are a special person, to be a caregiver for your great-grandmother. You should have no regrets. God had a plan and he carried it out just like it was supposed to be, rest assured sweet Jonathan. You were there for her day in and day out! She told me you were staying with her at nights!

I'll miss her very much and was honored to be living with her on her final days. Some times I regret getting up and leaving for work only to hear that she passed only seconds after I left the house to work. I will miss my Nana dearly and wished that I wait just a couple of seconds to say my good byes.
