Linda was so refreshing. I had no idea she had passed away until I received a letter today from Rich and Cartmill. I am deeply saddened at your loss. I am deeply saddened that I did not know and was not able to attend her service. Bless your hearts, what a loss. It is comforting that she is in her heavenly place. She was such a prayer warrior on my behalf many times. Vicki Findley

I have had the pleasure of working with Linda for the past few years at Rich and Cartmill. Linda never hesitated to share her Faith openly with anyone. She was never afraid to "let her Light shine"! "Laughter is God's hand on the shoulders of a troubled world" was one of her favorite sayings. I can imagine Linda in Heaven singing the songs she would often come into the office humming. Linda remarked, over the course of conversations that we had at times, that whenever God was ready for her, she was ready to go. I will miss Linda, she was quick to find humor in situations and had a positive outlook on life. Rest in peace, Linda.

I am so sorry for the loss of Linda. I had the pleasure of working with Linda at Rich & Cartmill. Linda was truly an amazing person and I felt honored to get to work with her as I knew that if Linda was handling the insurance matters for our client then that client is in the best of hands. Linda always had a positive attitude and she had a great gift of wanting to help others. She was an extremely good communicator with all of her clients and agents and she was the best there is at rounding out accounts and attracting new business. Linda enjoyed the personal touch and she would often come to my office and sit down and go through everything face to face. This made a difference to myself and it made a difference to our clients. Linda's smile, positive attitude, energy, and work ethic will be tremendously missed. Sincerely, Scott Selman.
