My mother June Moody and Dixie and several other ladies would get together and do painting and crafts and have a great time talking, having lunch and just being together as friends. Good memories!

I have so memories since we grew up together. Played together when we were little and as we were growing up we even doubled dated. Great memories!!!!As we visited over the years she would always share information about each of you: Melissa, Jeff, Teneya, and each of her grandchildren, which I throughly enjoy. She was so proud of each of you and loved you all so much. Jeanettie
