I have many memories of my Uncle Gerry ! A lot of them were from when I was a kid and lived in Oklahoma as we didn't get to see each other as much when I was older and lived in different states. I love his sense of humor and the way he could make you laugh in almost any situation or conversation. I looked up to him as he was a hard working family man his whole life. In fact if he wasn't cracking a joke or talking about sports or the weather it was always family ?? He loved them all so much and it always stood out how much whenever one of them was going through anything, he was always there for them. I will miss his giant laugh and him making me laugh. I love you Uncle !!
