I'll never forget my Uncle Preston holding me the night my mom passed away. Uncle Preston and Aunt Roses house is the only place I've ever felt like family and didn't eat and leave during family gatherings. I know none of the family knows how close to my I was to Uncle Preston. We had a bond that couldn't be broken. I'm sorry the other cousins can't understand that. I'm not sorry that I love my Uncle so much. Yes I flipped out!! Just like I did with my mom and cousin Josh, and I'm Sry I didn't flip.out when others passed.. it's all in how your treated and my Uncle Preston and Aunt Rose are the only ones on my dad's side of the family that didn't make me feel like a stranger when I was around em besides my Aunt Connie and Uncle Eddie. I love all of you and you will always be in my heart Uncle Preston. I pray you are watching over us with my mom..Love always Your #1 niece, Summer
