## **Nancy Kay Hyatt**

APR 14, 1949 - FEB 28, 2016

**N**ancy K. Hyatt slipped from her earthly bonds and joined the presence of the Lord on Sunday February, 28, 2016 at the age of 66. She was the beloved wife of her high school sweetheart Clifford Hyatt for 48 wonderful years. They were the best of friends and constant companions traveling the world and making lasting memories together. She is survived by her husband and their two children Christopher Hyatt and Cathryn Berger. Their spouses Cindy Hyatt and Louis Berger and her grandchildren Grayson Hyatt, Addison Hyatt, Alexandra Berger, and Hannah Berger. She is also survived by her three sisters Linda Saunders and her husband Steven, Betty Pearson, and Sally Williams and her husband Gary. Nancy is also survived by her father-in-law Robert Hyatt. Nancy retired from State Farm Regional Office located in Broken Arrow, Oklahoma in 2010 after a successful 22 year career. She received great joy from spending time with family, and especially her grandchildren who dearly loved their "Nana". She had many hobbies including cross stitch, reading, gardening, and cooking (which we all enjoyed ☐). She blessed many friends and family with her special and unique homemade blankets which will continue to keep them warm and cozy for many years to come. She was a dedicated Oklahoma City Thunder fan who rarely missed a game, and was notorious for texting play by play with family members during games when the calls didn't go the Thunder's way. Her in game communications will be greatly missed. Nancy was taken from us way too early, but we take great comfort in knowing she has been reunited in Heaven with her parents, Milton and Lucille Pearson, and her Lord and savior Jesus Christ. In lieu of flowers memorial contribution may be made to The March of Dimes in Nancy's honor. Private family services.

One of my favorite Nancy memories happened while visiting at her home. She'd taught her granddaughter, Hannah, how to go up and down the stairs by sitting on each step. I was amazed at this process and have since shared it with everyone I know who has small children and second story houses. Rest in peace, sweet Nancy.

My Nana was an amazing woman, wife, mother, and grandmother. She was always there for me and everyone else. She had a funny sense of humor, a sneeze you could hear from miles away, and a love for cooking which everyone benefitted from. She made you feel loved and always wanted to make you smile whether you wanted to or not. She was an amazing women all around. She will be truly missed. I know that goodbyes are not forever or simply the end, it simply means I'll miss you until we meet again. Nana, I love you. I hope your sipping your wine in paradise watching over all of us now.

Nancy was a model of grace and serenity-a woman I did not know well, but who left a lasting impression. I wish the family well and comfort during their grief and sweet memories to guide them through their loneliness.
