I always enjoyed my chats with Thelma on the phone and her sense of humor. She will always be near and dear to my heart, Carey and Michael. I am so sorry for the loss of your mother. I am sorry that I am sick and can't make it to the services.

Memories of my sister.... She was more thoughtful of others rather than herself. A sister that could be very good with quips. I remember a time when Irene, Ruth, Wanda Thelma and I went to Henryetta to visit another sister, Gladola and other relatives in the area. Staying in a motel back when the price of a room was \$17.00. So that tells you how long ago it was. We had so much fun & laughter that continued into the early morning hours and for me getting to know my sisters as an adult. I love you all very much and being at the end of the totem pole, I will see you again in just a few short years. You can invite me to your mansion and I will invite you to mine. What a time we will have forever more! Love, your sis Frankie
