I worked with Bill at the Jenks Post Office. He was a wonderful person & Letter Carrier. Bill would bring & share with us his great vegetables from his garden & we always looked forward to his wonderful breakfast he would bring in sometimes. Bacon & eggs, WOW they were great! He will be missed!

Bill has been an awesome neighbor to my family most of my life. He has manicured his lawn to golf course standards and raised blue ribbon class vegetable gardens for years. As a youngster I was always fascinated by Bill's talents and near circus like abilities, he taught me at an early age to ride my bike backwards which I still enjoy doing occasionally and think of him everytime. My dad has recently expressed his happiness in caring for Bill's chickens during his sickness and i think is considering getting some for himself. Georgia and Brian, do know that my thoughts, sympathy and prayers are with you both! Danny Bolton

Bill was a great broth-in-law. He enjoyed working, in his garden very much. He also enjoyed raising his chickens, and those unruly roosters. Bill enjoyed getting together, with the family, especially at the fish fries. Bill will be sadly missed and we continue to pray for Sissy and Brian. In Christian Love, Suesy and Johnny
