Theresa, My big sister, Godmother, best friend! You took on these roles, and were the best at every one of them. I never imagined that there would ever be a day that you weren't here. I miss you so much, but there are so many memories. We talked about everything, and we laughed just as much. You were such a great mentor, and I am so proud to be your little sister. Thank you for always being there for me. You were always there no matter what, and I am so grateful. I have been truly blessed to have a big sister, Godmother, and best friend, all rolled into one. I love you so much, and miss you already! Rest Well, Dear Sister, Rest well. Caroline
