To my dearest friend Rhonda and her mom Barbara....you and your family are in our prayers. We know this is going to be a difficult time and only the love of Father God and His comfort will be able to see you through it. I know you have Peace knowing that he is with Jesus and was reunited with Penny and other loved ones that met him at the gate. This life is so short, it will only be a little while before we will all be reunited and celebrating together. I am truly thankful that he wasn't sick and in pain for a long period of time. That is not something either of you would have wanted. We love you dearly....God Bless! The Benford and McClintick family
