Kerry Lee Kifer

DEC 1, 1951 - DEC 24, 2015

Kerry Lee Kifer, age 64 years old, passed from this life, December 24, 2015, in Broken Arrow, Oklahoma. Kerry was born December 1, 1951 to C.L. and Myra Kay (Billey) Kifer in Wichita, Kansas. He was the second of four children. After graduation he began a career as a lineman for PSO. In 1980 he went into the insurance business. Kerry married the love of his life, Jackie Ann Ladd on December 12, 1977. He was involved in the Broken Arrow Elk's Lodge since 1991. The birth of Kerry's children: Dempsey Kifer, Corby Kifer, and Tony Kifer and grandchild: Charlie Kifer were the most important events. Kerry loved to play card with his buddies and listen to the 70's rock. A celebration of Life service was held 2:00 p.m., Wednesday, December 30, 2015 at the Broken Arrow Elk's Lodge. Kerry, There are not words adequate, in the most eloquently expressive language on the planet, to describe the impact you made in this world. From the son you were to our mother and father, grandson you were to our grandparents, the nephew you were to our many aunts and uncles, the cousin you were to our many cousins, the husband you were to Jackie, the father you were to your sons, the uncle you were to your nieces, the brother you were to Rick, Cindy and I. And the friend you were to so many people. I'm sure that I didn't include everybody brother, please forgive me. I'm very sure that each of the people could tell stories for a day, telling stories about your impact in their lives. You have left a void that cannot be filled, a hole in my heart that just hurts. We are all, so very sad for your departure. You left too soon. But as you would know brother, with your infinite wisdom, all of those people are going to carry on with their lives enriched by you. So thank. We all miss you. God speed. I love you.

Kerry was my very good friend and neighbor for many years growing up. Many years together in school. Many summers together at the Valley View Swimming pool, football, wrestling, chasing girl, and so much more. I loved his red 64 Chevy that he had when he gave me rides him from McLain after football practice. I have seen Kerry off an on over the years, at church and other places, and I knew his health was not great, But I did not expect to see his death. Last year we lost our good friend Frank Hammontree, and now my good buddy Kerry Kifer. The world suddenly seems a much smaller place. I will not forget Kerry as long as I live. A fun guy and a true friend. My sincerest best wishes to his family and our friends. Happy trails my friend. Dan Dyer
