"Hey Buddy" is how we always greeted each other or I'd call him Chief. I was so blessed to have such an awesome friend. He was always about family and friends. What a big heart that was shared with many. Because of Chief, my Vitamin D level is impressive to the doctors. I miss my buddy but we'll meet again. Continued prayers to the family. Chief was an amazing gift from God to all the lives he touched.

A good heart has stopped beating; a gentle soul ascended to heaven. We part for now with our beloved Leonard, Sr., in pain. But comfort is found in knowing he has fought the good fight and has finished the race. He remained faithful. He had a burning mission to share vital information with us and he did it with all his heart. His smiling face and beautiful presence will be missed, but never forgotten. Rest in Peace, dear Cousin. The complete Buckley family as well as myself have so many good memories to share. First of all we came from a well taught, loving, Religious foundation. Leonard shared love, concern for our love ones throughout the nation. He traveled around, visited; period, tried to help other ill peoples; by counseling with them on what to eat, how to take care of themselves. He would call, stay in touch with us, showing concern, love very regularly. Even though how well we know that we're born to die; this is still a hard Pill to swallow, we know the LORD doesn't make mistakes. We all know that Leonard was a strong diehard F-I-G-H-T-E-R!!! Leonard will definitely be missed!!! Cousin, Sandra Buckley Gray
