Dee was a dear friend and though we lived thousands of miles apart; whenever we were together, it was like it was only yesterday that we had a good laugh. She will be missed by all. My husband and Taylor were Korean War buddies and we occasionally attended military reunions together. Delores and I were great shoppers. Miss you gal, bless you and your family. Love to Taylor and the children and grandchildren. Bill and Nina Denton, Sun City West, AZ

Dee, You always had a warm hug and smile anytime I saw you and I will remember that. I loved sharing many Bible verses on E-Mail with you and know where your heart was. Much love to you and the family, you are in our prayers during this time of great loss. Donna

Grandma constantly worried about her Grandchildren. Every time there is a tornado I think of her. Grandma would call all of us to make sure we had made the correct preparations for safety. I love her for that. My beautiful grandma will truly be missed!!! She is a woman who loved the lord and everyone should strive to be more like her.
