Words cannot begin to express the incredible sadness we all feel for the loss of such an incredibly great woman. Joe and I met Mark and Janet only a few years ago at Meadow Park RV park, where they befriended us by asking if weâ??d like to join them for a ride on their ATVâ??s. And though itâ??s only been a few years, the impact Janet made in our lives will be everlasting. Mark & Janet quickly became a part of our family and though Iâ??ve known a lot of people in my life, none were quite like Janet. She was a leader, a motivator, an encourager, she had an endearing quality which made peopleâ??s emotions. She seemed to always have the right words to say in any given situation. She humbly battled her own struggles with conviction & courage like no one Iâ??ve ever known. But even through her own challenges, she never stopped giving to others, this brought her joy. Her sense of humor and laughter was intoxicating and her radiant smile was a breath of fresh air! She was truly beautiful inside and out, and she was my friend. Janet, I will miss all of our times together and though I did not get to say goodbye, I know itâ??s only â??see you laterâ?? until the day we meet again. The world was a much better place having you in it, but now I trust that you are receiving the reward you deserve as you watch over us all. God took you way too soon, but I trust HE knows whatâ??s best and that all of the lives you have touched will be better for having known you. I love you.

Love you sister, you owe me a lunch date. Thank you for being such a wonderful woman of God, for loving me and my family and seeing so much in me. For the bible studies, for the laughs, for Thanksgiving dinner in the middle of an ice storm, for sharing with us my daughter's XV birthday, for the prayers and long conversations, for Stones to Throw (your vision) for the immense love for Mark and your family, for sharing you with so many. I will miss you, but I'll rejoice when I see you again and have our lunch date... until then -my love and admiration - it was my honor to call you friend and sister in Christ. Janet was truly a remarkable person. To be around her would make you smile. She was always uplifting and positive. She made me want to be a better person just being around her. To hear her say Good Morning everyday was one of the best parts of my day. I will truly miss her more than words can say, but I am blessed beyond measure to have been able to call her my co-worker but most importantly my friend. My prayers are with Mark and her family during this time. Until we meet again my dear friend.

So sad Mrs Janet, not for you, but for all the ones that you left behind that love you so much. We will miss you dearly, just knowing you were there was always a blessing to me as I called you a sister in Christ and will treasure the times of prayer we had together and for all the spiritual strengthening you gave me when I needed you the most. When I had to have my foot amputated you gave me the courage to go on and to look up not at the circumstances. I thank you for that my friend and now I look up to see your shining face, chasing after the Lord, with a song in your heart. Till we meet again my friend, I shall miss you.

Janet was a one of a kind soul. She touched many lives in her time on earth & was never shy to show her love for the Lord. I was fortunate enough to spend some one on one time with her & I can't count all the laughs we shared. She was a very special woman and a very, very bright light in our world. I will miss her dearly. I will continue to keep her family in my prayers, I know she is enjoying getting to visit with her parents now. Deepest sympathy goes out to all of us who have to continue on without her. "Blessed are those who mourn, for they will be comforted." -Matthew 5:4
