This little girl wasn't a one in a million, she was a once in a lifetime type of angel ❤️ She loved her doggy Evabow, her babies, painting nails, little fishies and so much more!!! She was just full of love altogether. She made the world brighter. I cannot wait to hold you in my arms again.

Sweet Nova, Silently I watched and cared for you from a distance. You and your family were often in my prayers. I know the sadness I feel is so small compared to your family's but still painful to me. Fly with the angels Nova, so many loved you!Gerry Ann Williams RN BSN CCM Transplant Case Manager

My niece Nova was shy at first around new people, but warmed up quickly and you would get to see what a little sweetheart she was. She had an adorable little laugh, a precious smile, and was so smart at her young age. She loved Curious George and Minnie Mouse. She liked to do crafts, color, and sing. She is such an inspiring little girl. She had been through a lot and didn't let that hold her back. Words can't even describe how much we love and miss her.
