My parents met Dean / Gretchen around 1966.....they became like a 2nd set of parents for my Brother (Mark) and me.Gretchen is the reason my toes are painted red every single day....I always remember her toes were painted red.I don't think that Gretchen even realized how strong she was. She raised three (3) Sons and loved them with every fiber of her being; her entire family meant so very much to her....I loved her and will miss her so much. I know she's with her Dean now....RIP my dear, sweet Gretchen
