Paul Douglas McKay

OCT 27, 1963 - AUG 27, 2015

Paul Douglas McKay went home to Heaven on August 27, 2015. He was born in Tulsa, Oklahoma on October 27, 1963 to parents Raymond and Nellie McKay. He is loved and will be missed by his wife Lisa McKay, daughter Stacia Kerr and son-in-law John Kerr, grandchildren Cody, Autumn and Anna Kerr, brother Mark McKay and sister-in-law Nancy McKay, sister Ramona McKay and brother-in-law James Lintel and brother Joel McKay. Doug was surrounded with loving family members Dan and Beth McKay, Zach McKay, Zee and Erin Al-Hammami, Rayan and Sana Al-Hammami, Marcus and Jaime McKay. He will also be deeply missed by special friend and brother Leland Grubb and wife Kristi Grubb. He leaves behind three special furry companions Bubba, Sissy and Bitty who loved him unconditionally. Doug's life work was in land surveying where he enjoyed the outdoors and which gave him the amazing opportunity to travel all over the country. He got to make a lot of wonderful memories while on many fishing excursions with his brother, Mark. One of his true passions in life was music and playing his collection of guitars and sharing that love with his brother, Joel. Doug's favorite times were spent making lifelong memories with his family and friends. Doug's final resting place will be in Baileyville, Maine where he met and married the love of his life, Lisa. In honor of Doug's memory, the family requests donations be made to his wife, Lisa McKay or to his favorite charity, Tiny Paws Kitten Rescue where he was an active volunteer. Funeral service Monday, August 31st, 2015-3:00 PM-Floral Haven Funeral Home Chapel. Tiny Paws Kitten Rescue 901 S. Lowry Stillwater, OK 74074

I remember on so many occasions when Uncle Doug would be staying with us over at my Grandma's house, we'd be sitting on the couch watching TV, and he would come out with his acoustic, sit down on a nearby chair, and start strumming. He would give you that blank stare but he also just happened to be playing the coolest things ever. I guess he was in the zone. Haha. Seriously though, my Uncle Doug and Aunt Lisa were some of the only people that stayed in contact with me on a regular basis when I had to move overseas for nearly a decade. They not only communicated with me, but they helped me find my way back, picked me up from the airport, found me an apartment, got me settled in and enrolled at the university. Now, several years later, I can finally say I am graduating in December. They never gave up on me no matter how hopeless it all seemed sometimes. I am only his nephew, but he treated me like much more than that, despite our differences. I love you Uncle Doug. I hope you know how much I appreciated everything you did for me. I'll miss you greatly.

Cousin Doug & I are close in age and were very close cousins, in our younger years. Two of my most memorable memories, I'd like to share; I have a summer birthday and always loved going camping to celebrate! One year when our families had went, my thoughtful Cousin Doug & I walked up to the bait shop at the campground and he bought me "worms" for my present! I can still remember like yesterday how honored and happy I felt that he'd buy something for me. We walked to the water's edge and went fishing afterwards! During one of our families many trips to Galveston, I can still visualize like it was yesterday, the time Doug fell asleep laying down on the couch area in my parents motor home with a tight grip to his hand, holding onto his \$10 bill. I believe, we must have been waiting for our parents to take us souvenir shopping. Although he was sound asleep he was making sure not to let anyone take his money. We grew apart for many years, as we grew older. I am so thankful and grateful to Cousin Mark & Nancy that over the past few years they have helped me to rekindle that cousin-friendship love! I've grown close again to Doug & absolutely love Lisa!!! These past two years I have taken my boys over to their house on Halloween, for their special treats given to them from Lisa & Doug. Last summer will always be my most honorable memory of all!!! My dearly loved Cousins', Nancy, Mark, Lisa & Doug threw me the best 50th Birthday Party ever!!! Thank you so much! I love you ALL and will dearly miss Cousin Doug, until we meet again!
