I am honored and blessed to have known Tyler. My heart is filled with sorrow upon hearing the news but I find comfort in knowing that he is with Granny Joey now. After the tears have dried and the goodbyes have been said, all we have to hold onto are the happy memories that we've shared with our loved ones who have passed, this is what keeps them alive in our hearts and in our minds, and they will continue to live on, through us. My most sincere condolences go out to you and your family.
